A.D. 1898

*Date of Application, 21st Sept., 1898—Accepted, 5th Nov., 1898*

COMPLETE SPECIFICATION.

**An Improved Medicinal Wash or Lotion,**

We, MARK TUITE, of 46, Jewin Street, in the City of London, Warehouseman,  
and WILLIAM ARTHUR SMITHE, of 5, Sussex Place, Slough, in the County of  
Bucks, Gentleman, do hereby declare the nature of this invention and in what  
manner the same is to be performed, to be particularly described and ascertained  
5 in and by the following statement:—

Our invention relates to a new and improved composition of the nature of a  
wash or lotion for application to the human skin for beautifying and clearing it  
and for the purpose of producing a healthy complexion and removing sunburn  
and pimples. In carrying our invention into effect, we proceed in or about the  
10 following manner. We take of oxide of zinc one drachm, of calamine one drachm  
and of precipitated sulphur  $\frac{1}{2}$  a drachm and mix these well together, with one  
ounce of lime water. Then we add two drachms of glycerine and shake all well  
in a bottle and add two drachms of spirit of wine, and two drachms of liquid extract  
of witch hazel. Then we add rose water to four ounces.

15 Having now particularly described and ascertained the nature of our said inven-  
tion and in what manner the same is to be performed we declare that what we  
claim is:—

A new and improved composition of the nature of a wash or lotion the said  
composition consisting essentially of a mixture of oxide of zinc, calamine and pre-  
20 cipitated sulphur and lime water to which is added glycerine, spirit of wine and  
liquid extract of witch hazel and rose water, the whole substantially described as  
in the above specification.

Dated this Third day of September 1898.

MARK TUITE.  
WILLIAM ARTHUR SMITHE.
